Re: NFTA-Metro – Holiday Performances 2011

NFTA-Metro will again be hosting its “**Holiday Sounds of the Season**” program this year. We are inviting local high school and grammar school musical/choral groups to perform at the Metropolitan Transportation Center (downtown bus terminal) from December 14 through December 22, 2011. A small monetary donation will be given to the music department of each school that participates.

If you would like your school to participate, please complete the form below and forward it as indicated. If you have any questions feel free to contact me or interns, Erin Trester or Michelle Artessa at (716) 855-7464. Best regards!
