WHERE'S MY BUS?
Realtime bus information

Trolley Route 55T serves Niagara Falls Blvd., Pine Ave., Niagara Falls International Airport and downtown Niagara Falls, USA.

Trolley Day Passes, with a tracking number, are available at participating hotel registration desks. A Metro operator will validate the pass on a passenger's first boarding, making the pass good for the whole day.

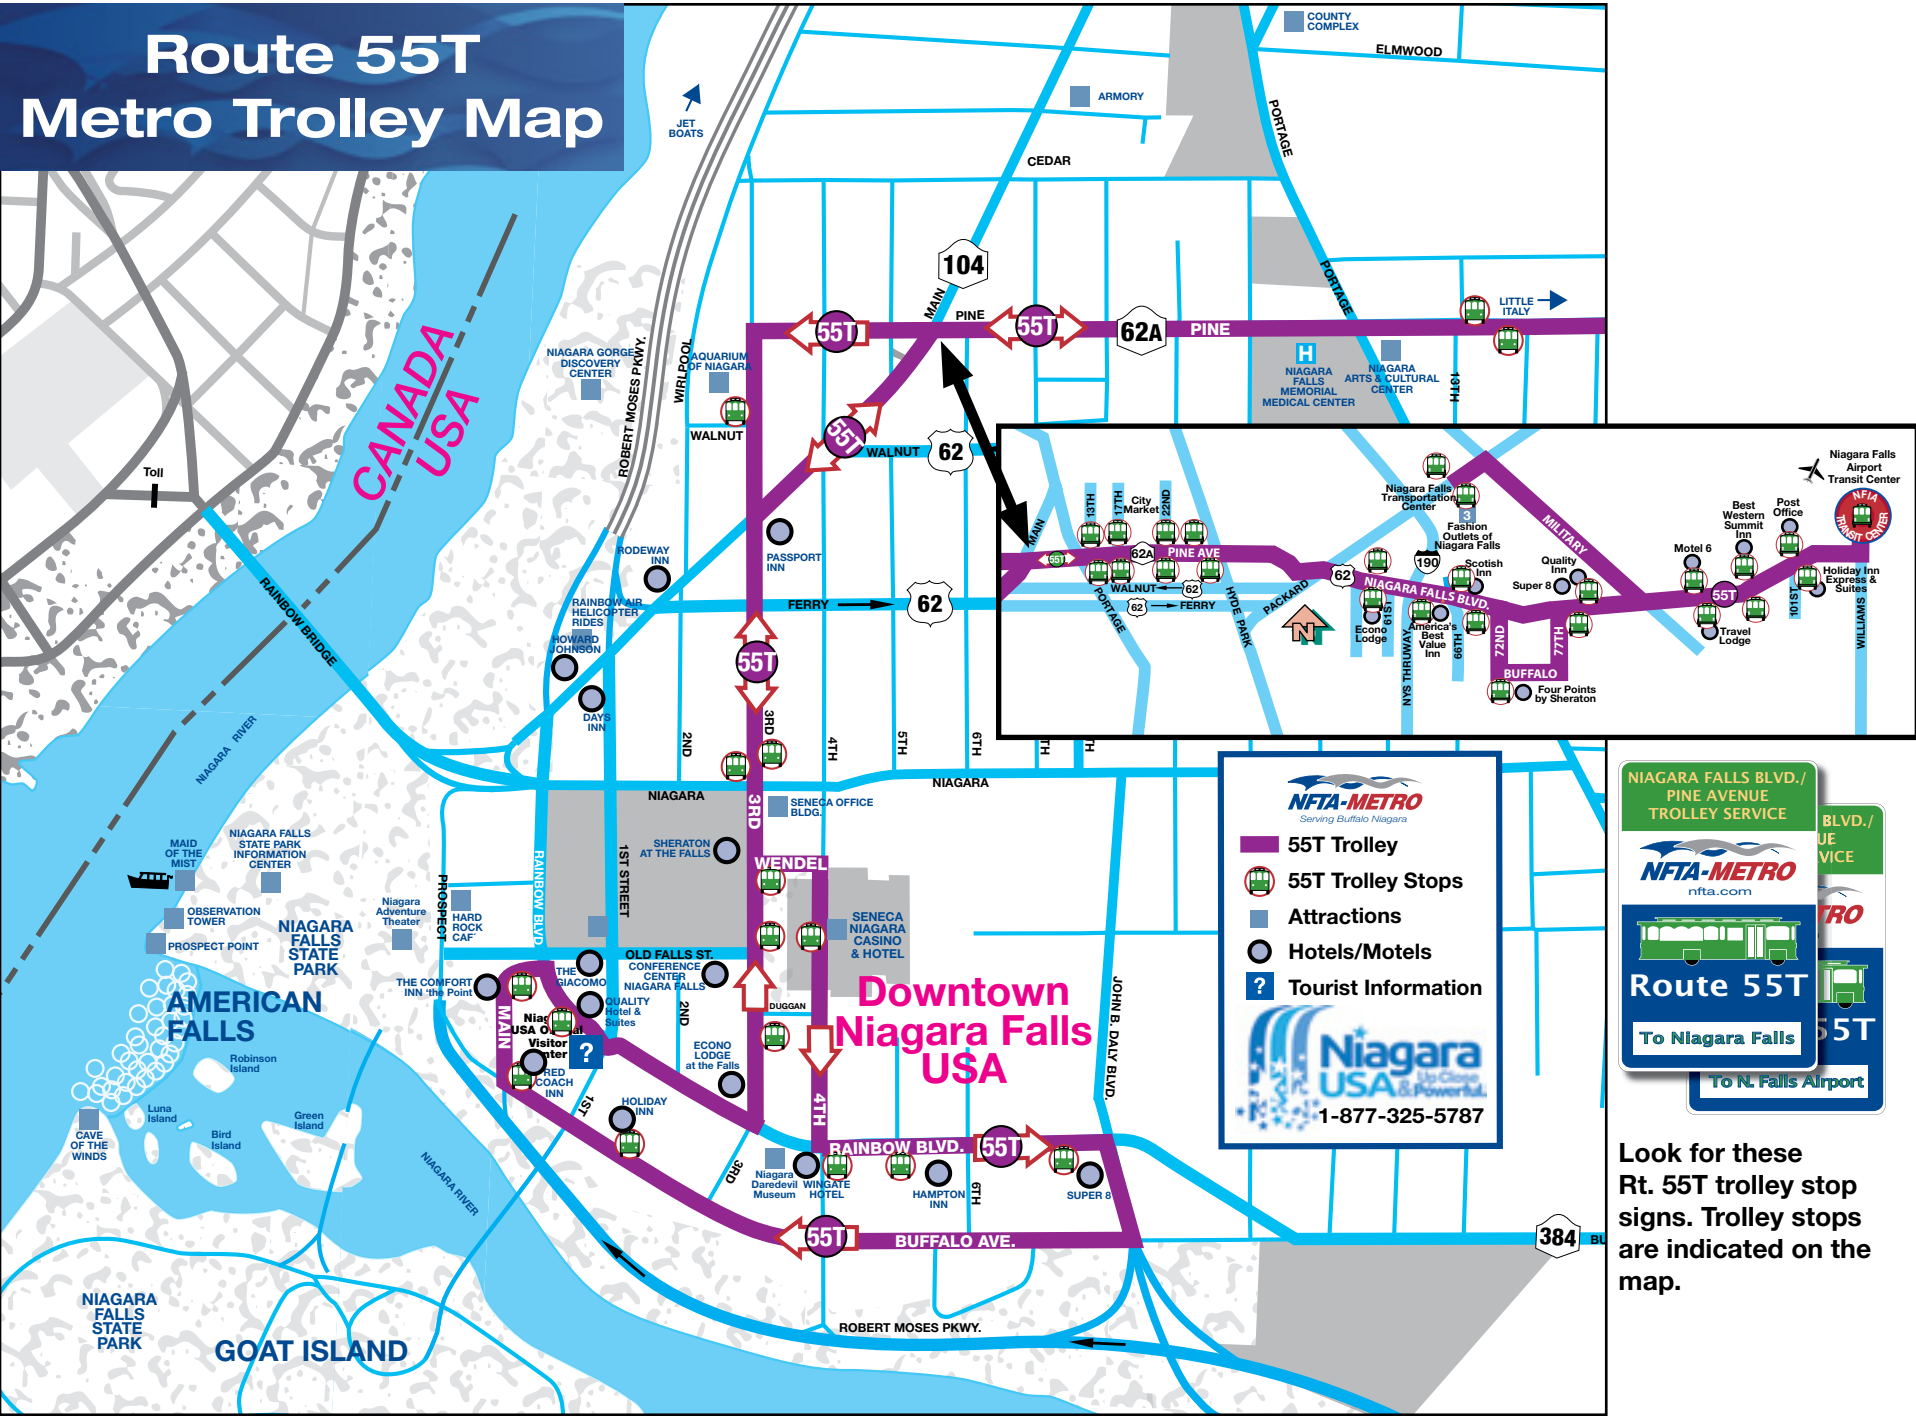

Trolley Day Passes must be validated in Niagara County and then are valid on all other regular Metro bus and rail service as well.

Passengers without a Trolley Day Pass from a hotel may use trolley service with any valid Metro pass or \$2 cash fare. Senior citizens (65 and older), individuals with disabilities, Medicare cardholders with proper ID and children ages 5-11 pay reduced fares (see nfta.com for details). Children four and under ride free with a fare paying adult, a limit of three free children per fare paying adult. All Metro vehicles are wheelchair accessible.

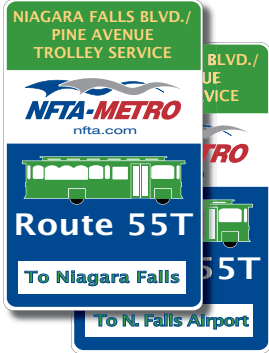

A regular Metro bus may be substituted for a trolley bus on occasion. Please look at the route sign on the bus if it is arriving per the trolley schedule. If the sign reads 55T PINE AVE and 55T TROLLEY, a regular bus is filling in for a trolley bus.

For return trips to Niagara Falls Blvd. hotels and motels, board 55T trolley buses at any of the downtown stops. Returning trolleys will have a "Niagara Falls Airport" destination sign in the front window. Ask the trolley bus operator if you are not sure.

Hotel personnel are not eligible to use Trolley Day Passes. If operators suspect employees of improper use, the appropriate hotel will be notified.

Operators cannot accept trolley passes that have been tampered with in any manner.

Look for these Rt. 55T trolley stop signs. Trolley stops are indicated on the map.
