

NFTA – Metro Citizens Advisory Committee for Public Transportation (CAC)

Meeting Summary

September 25th, 2012

6:00PM – 7:30PM

The first CAC meeting began with introductions of the members. During the introduction, the CAC members were asked what they expected to accomplish through their membership. These expectations will be developed into a CAC Values Statement.

The committee also began discussing committee protocol items such as meeting time, location, frequency, agendas and terms. Many of these items were discussed during a polling session, the results of which are posted below.

Tom George, Director of Surface Transportation, gave an overview of NFTA, focusing on Metro.
