

## Public Transportation

Metro is Buffalo Niagara's public transportation system: buses, light rail, shuttle vans and trolleys providing you with the easiest, most economical way to get around the region.

Schedules and maps are available at a variety of locations in the Buffalo Niagara region, or online at [nfta.com](http://nfta.com). While online, try Metro's s Trip Planner. Tell the computer where you want to go, and the Trip Planner will tell you how Metro can get you there.

For more information call 716-855-7211, TDD 716-855-7650.

## Riding Metro Bus

It's easy. First, choose where you want to be picked up, usually a corner with a Metro sign or a bus shelter. Second, decide on a time that meets your needs. Third, board your Metro bus and pay your fare. Metro fareboxes accept Metro tokens, U.S. coins and paper currency. You can also show a valid Metro pass.

Bus operators do not make change, so you will need the exact fare when boarding.

The Metro system is divided into four fare zones. The adult fare for a ride within any single zone is \$1.50. If you ride in more than one zone, a 25 cent charge applies each time you cross into a new zone. For the most part, a longer ride means more zones. A trip from Buffalo to Niagara Falls is \$2.25, for example.

## Riding Metro Rail

Metro Rail has two zones. The above ground zone is free. The underground zone requires a valid proof of payment: A Metro Pass, bus transfer or rail ticket.

Tickets may be purchased from the vending machines at any rail station. Red machines accept tokens, U.S. coins, and \$1, \$5 and \$10, \$20 bills and sell one-way or round-trip tickets. Blue machines accept cash and credit cards. Blue machines sell Day Passes, Weekend Passes, Monthly Passes and 30-Day Passes. Both kinds of ticket machines give change.

## Metro Passes

Metro Passes are good for unlimited bus and rail rides during the time in which they are valid.

**Day Pass\*** (valid on the day of purchase) - \$3.50  
Reduced - \$1.75

**Weekend Pass\*** (valid on the Saturday and Sunday of purchase) - \$6  
Reduced - \$3

**Metro Monthly Pass** (valid for the calendar month indicated on the pass)

One zone - \$55 reduced - \$27.50

All zone - \$66 reduced - \$33

**Metro 30-day Pass** (valid for 30 days from the date of purchase)

One zone - \$55 reduced - \$27.50

All zone - \$66 reduced - \$33

### Reduced Fares

Senior citizens (65 and older), the disabled, or Medicare cardholders may pay reduced fares, with proper ID (see [nfta.com](http://nfta.com) for details.) Children ages five through 11 pay reduced fares. Children four and under ride free with a fare paying adult. There is a limit of three children per fare paying adult.
